The Cosmetology & Personal Care Services program of study focuses on preparing individual for employment in career pathways related to personal care services. To pursue a career in cosmetology, students will learn to provide beauty services, such as shampooing, cutting coloring and styling hair, and massaging and treating scalp. They will learn to apply makeup, dress wigs, perform hair removal and provide nail and skin care services.

The Human Services Career Cluster® focuses on preparing individuals for employment in career pathways that relate to families and human needs such as counseling and mental health services, family and community services, personal care services, and consumer services.

Successful completion of the Cosmetology & Personal Care Services program of study will fulfill requirements of the Public Services Endorsement – Approved Statewide Regional Program of Study – September 2019.
