Our Community
Donna, Texas, located in Hidalgo County, covers 89.2472 square miles. The district’s geographic boundary area to the north is Curve and Anderson Road; to the east is Midway; to the south is the Rio Grande River and to the west is Tower Road. Primarily, the District generates income from an industry that is agriculturally related. The students are taught in fourteen elementary schools (pre-kindergarten through grade 5), four middle schools (grades 6 through 8), and two high schools (grades 9 through 12), and three alternative campuses.

Dr. Hafedh Azaiez
All high school students shall be ranked at the end of each school year.

Senior students shall be preliminarily ranked for graduation at the end of the first semester of the senior year. At the end of the fifth six-week grading period, the grades for the fourth and fifth six-week periods shall be averaged to determine the second semester average for ranking purposes.

Grades shall be averaged to the fourth decimal point or to the next decimal place in case of a tie (up to six decimal places may be used). This shall determine the valedictorian, salutatorian, and other academically recognized graduates.
